Massive Miscarriage Rates Among Vaccinated Pregnant Women Found Buried in the Pfizer Documents...

MASTERS OF DECEIT
"Be known it to you that it has been written of and spoken of as 666, the masters of deceit. Satan has entered the highest places of your government, of each nation of the world, to sow confusion, discontentment, atheism, communism, satanism, and all manner of evil." *- Jesus, October 2, 1980*

THE OCTOPUS OF EVIL
"The octopus of evil having many arms now is reaching out. The evil and the agents of satan in human form have entered into the highest places in world governments and in My Son's Church." *- Our Lady, March 18, 1977*

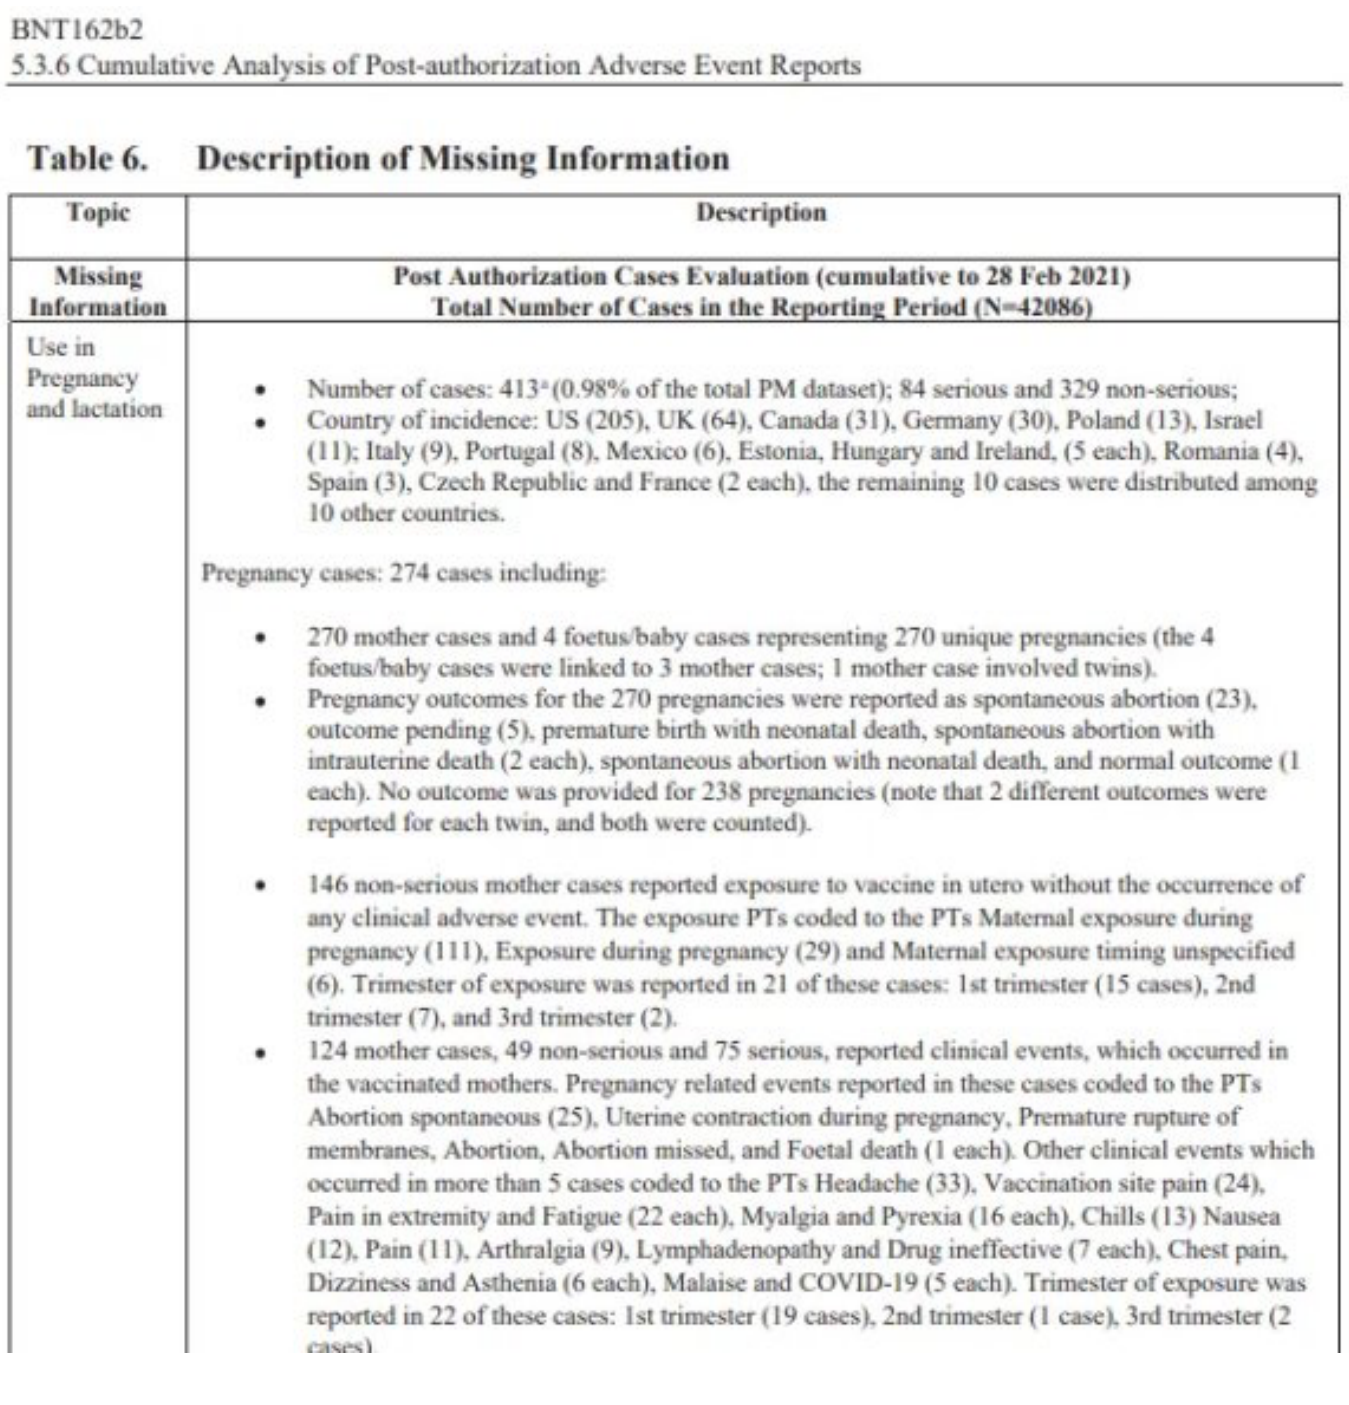
PierreKory.substack.com reported on August 12, 2022:

> by Pierre Kory, MD, MPA
>
> Let's start with the fact the PFDA (the P is not a typo) asked a federal court for 75 years to make public the many thousands of pages of data submitted to them by Pfizer to support the EUA they (the **PFDA**) issued.
>
> One interpretation of this action is that they wanted the data to stay hidden for a long time to hide fraud and/or criminality (same thing). The other is that they only had enough staff to complete this task within 75 years. Let's ignore the 2nd one as absurd on its face (especially since they seem to be pouring out documents monthly after the judge ordered them to). Where there is a will there is a way apparently.
>
> Now why would they want to keep the data hidden? What lies within the realm of possibilities is that at the time they went to court, they knew the EUA and the resulting massive national and global vaccine campaign were pre-determined and independent of whatever "science" emerged to support or not support the campaign. Unfortunately for them, the "science" was not supportive. At all. So they tried to suppress the serious troubling toxicity and lack of efficacy data contained within those documents.
>
> Well the court ordered them to make public thousands of pages of documents each month. My hypothesis above seems to be validated by the uncovering of what is not just troubling, but absolutely terrifying data on the lack of safety in pregnancy. While Dr Naomi Wolf and the WarRoom/DailyClout Research Volunteers recently corrected a report that overcounted miscarriages in one section of the Pfizer documents, they are right to have early and often called attention to signals about this issue overall. Indeed in May 2022, they broke the story of another section of the Pfizer documents, in which the mortality rate of fetuses and babies of women vaccinated with Pfizer's mRNA injection was about 80 per cent.
>
> Now, let's do a dive on just one page of the many thousands. See below, Section 5.3.6, Page 12 of the document called "Cumulative Analysis of Post-Authorization Adverse Event Reports."

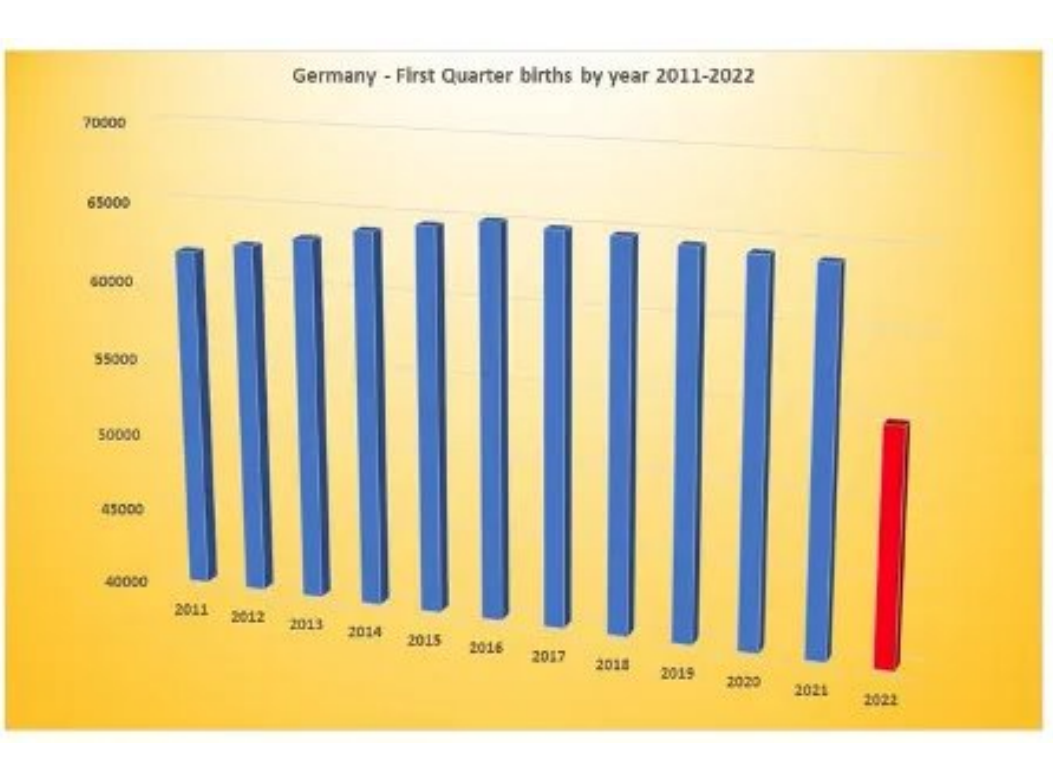


BNT162b2
5.3.6 Cumulative Analysis of Post-authorization Adverse Event Reports

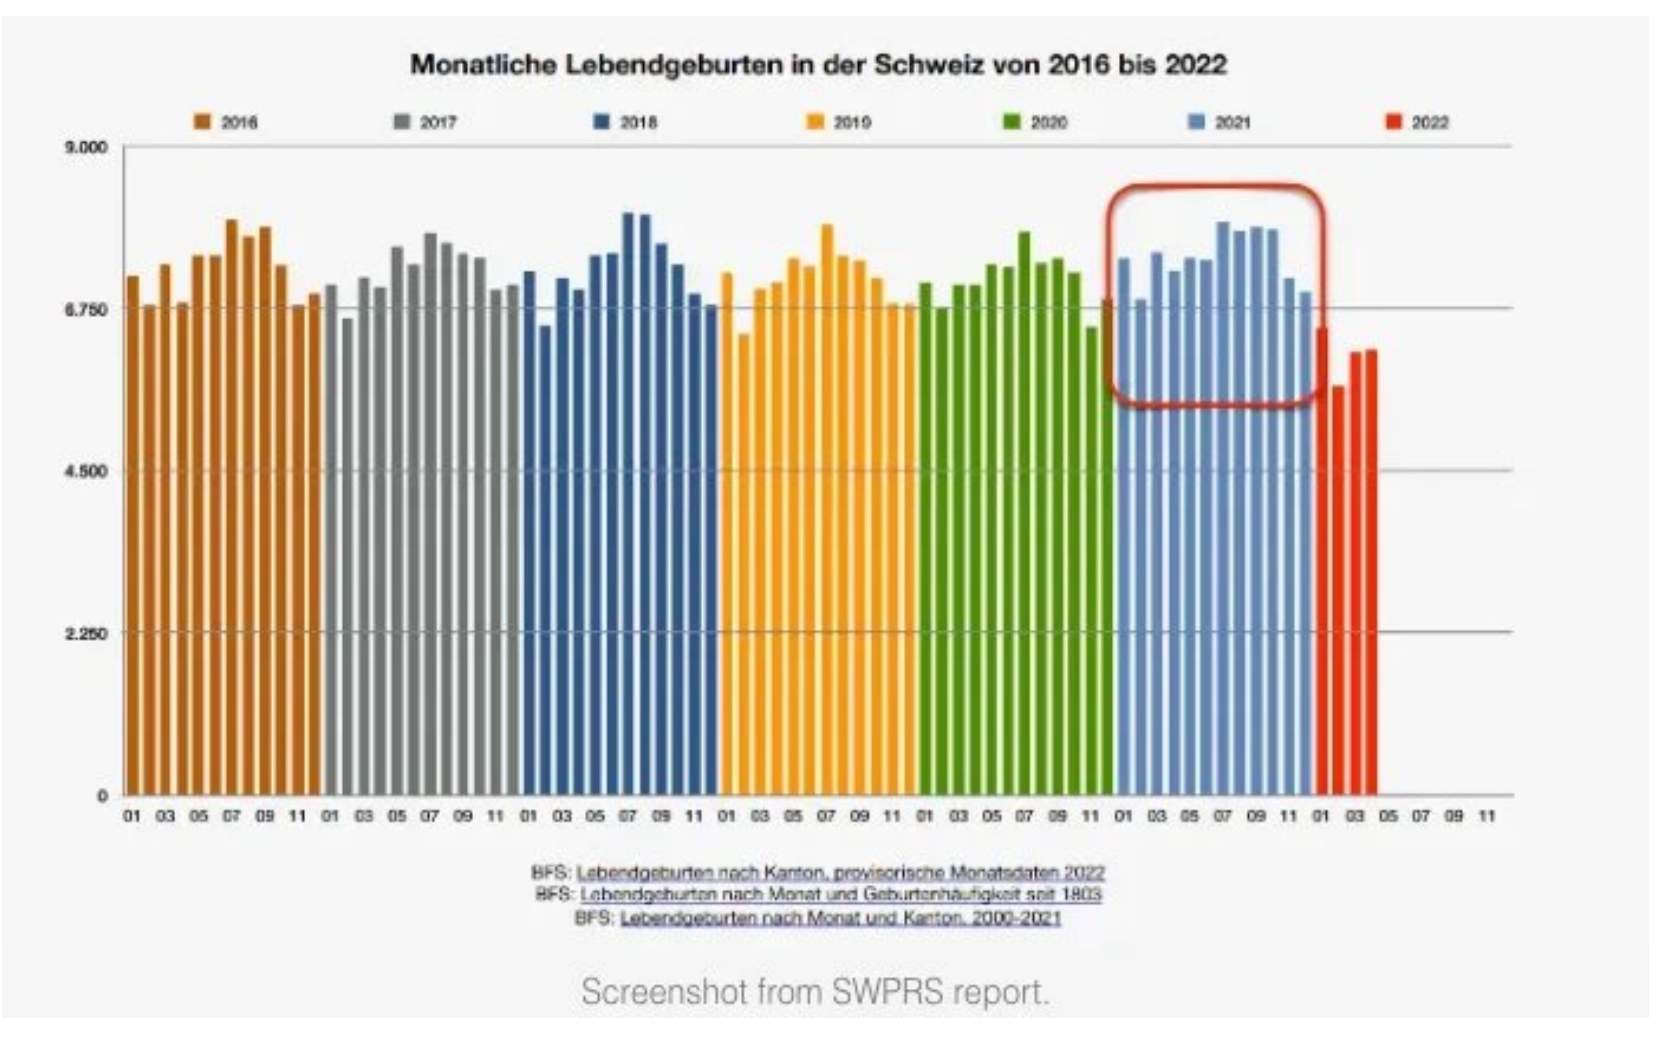
Table 6. Description of Missing Information

Topic	Description
Missing Information	**Post Authorization Cases Evaluation (cumulative to 28 Feb 2021)** **Total Number of Cases in the Reporting Period (N=42086)**
Use in Pregnancy and lactation	• Number of cases: 413ᵃ (0.98% of the total PM dataset); 84 serious and 329 non-serious; • Country of incidence: US (205), UK (64), Canada (31), Germany (30), Poland (13), Israel (11); Italy (9), Portugal (8), Mexico (6), Estonia, Hungary and Ireland, (5 each), Romania (4), Spain (3), Czech Republic and France (2 each), the remaining 10 cases were distributed among 10 other countries. Pregnancy cases: 274 cases including: • 270 mother cases and 4 foetus/baby cases representing 270 unique pregnancies (the 4 foetus/baby cases were linked to 3 mother cases; 1 mother case involved twins). • Pregnancy outcomes for the 270 pregnancies were reported as spontaneous abortion (23), outcome pending (5), premature birth with neonatal death, spontaneous abortion with intrauterine death (2 each), spontaneous abortion with neonatal death, and normal outcome (1 each). No outcome was provided for 238 pregnancies (note that 2 different outcomes were reported for each twin, and both were counted). • 146 non-serious mother cases reported exposure to vaccine in utero without the occurrence of any clinical adverse event. The exposure PTs coded to the PTs Maternal exposure during pregnancy (111), Exposure during pregnancy (29) and Maternal exposure timing unspecified (6). Trimester of exposure was reported in 21 of these cases: 1st trimester (15 cases), 2nd trimester (7), and 3rd trimester (2). • 124 mother cases, 49 non-serious and 75 serious, reported clinical events, which occurred in the vaccinated mothers. Pregnancy related events reported in these cases coded to the PTs Abortion spontaneous (25), Uterine contraction during pregnancy, Premature rupture of membranes, Abortion, Abortion missed, and Foetal death (1 each). Other clinical events which occurred in more than 5 cases coded to the PTs Headache (33), Vaccination site pain (24), Pain in extremity and Fatigue (22 each), Myalgia and Pyrexia (16 each), Chills (13) Nausea (12), Pain (11), Arthralgia (9), Lymphadenopathy and Drug ineffective (7 each), Chest pain, Dizziness and Asthenia (6 each), Malaise and COVID-19 (5 each). Trimester of exposure was reported in 22 of these cases: 1st trimester (19 cases), 2nd trimester (1 case), 3rd trimester (2 cases).

> Looking at the first bullet under the header:
>
> ***Pregnancy cases: 274 cases including:***
>
> In this paragraph, at first read, it is just a list of adverse events and numbers, detailed in a way that is confusing at best, and obfuscating at worst. I think it is the latter because, if you do some simple arithmetic trying to parse that paragraph, you end up with this:
>
> > 270 pregnancies were reported in vaccinated women during the first 12 weeks of the vaccine campaign. In 238 of them, "no outcome was provided." So, they only knew the outcome of 32 pregnancies reported. What happened in those 32 pregnancies they followed up on?
>
> My hands are literally trembling as I write this, but here goes. In these 32 pregnancies, there were:
>
> - 23 spontaneous abortions
> - 2 spontaneous abortions with intra-uterine death
>   - So, 25 of the 32 pregnancies with known outcomes resulted in a miscarriage, a rate of 78%. Note that miscarriage normally occurs in only 12-15% of pregnancies
> - 2 premature births with neonatal death
> - 1 spontaneous abortion with neonatal death
> - 1 normal outcome
>
> Note that this only adds up to 29 known outcomes, but then they note that "two different outcomes were reported for each twin" and then they talk about "fetus/baby cases as separate from mother cases." I have no idea how to interpret this explanation of outcomes, so it may have been one or two less (or more) deaths then.
>
> So, of the 32 pregnancies they knew the outcome of, 87.5% resulted in the death of the fetus or neonate. Burying this data in the way and not alerting the world to what they found, is criminal activity yet again. This is what they do and have always done when one of their novel products begins to cause death. It is just these kinds of actions that hav resulted in the billions of criminal and civil fines they have paid in the last 20 years alone. They have done this with numerous newly launched medications such as Avandia, Bextra, Vioxx, and let's not forget oxycodone. Many hundreds of thousands of deaths have resulted with the burying of adverse event and death data around newly launched products until they are caught, pay massive fines, and then carry on doing the same thing.
>
> Check out this article reviewing their decades of criminality in which this quote appears:
>
> > While the defense industry used to be the biggest defrauder of the federal government under the False Claims Act (FCA), a law enacted in 1863 to prevent defense contractor fraud, the pharmaceutical industry has greatly overtaken the defense industry in recent years. The pharmaceutical industry now tops not only the defense industry, but all other industries in the total amount of fraud payments for actions taken against the federal government under the False Claims Act."
>
> This one is bigger though. And maybe why I keep hearing of a bunch of folks now starting to short their stock as they see this fraud as potentially bankrupting these companies. Maybe, maybe not. They are really good at surviving their frauds and scandals.
>
> Further, in looking at the Pfizer documents more broadly you find so many fragmentations and obfuscations of data in the way they present the data, combined with inexplicable categorizations of deaths as unrelated to the vaccine when they could never have known that (yet should have assumed it until proven otherwise). No wonder it takes an army of volunteers months to dissect and pull out what the actual data indicates.
>
> Now, ignoring and obfuscating the massive toxicity to the fetuses of pregnant women exposed to the vaccine ***also has major implications on fertility***.
>
> And this is where it gets even more horrifying. Birth rates are plummeting in many countries around the world, but the way in which they are plummeting is unprecedented. They are large drops, and they are occurring, almost like clockwork, approximately 9 months after pregnant women around the world started to be vaccinated . This is occurring after women the world over were told it is "safe and effective" in pregnancy despite the fact *the trials did not include pregnant women*.
>
> Yet, in the first 12 week post-vaccine rollout surveillance report submitted by Pfizer to the PFDA, of the 270 pregnancies reported, they followed 32 of them and found a horrifying rate of fetal/neonatal deaths. Again stirs up memories of one of the most historically shocking statements ever uttered by an FDA voting member, my "friend" Eric Rubin, editor-in-chief of my favorite journal, the New England Journal of Medicine (this is a joke), "but we're never going to learn about how safe this vaccine is unless we start giving it." Dr. Rubin and I have a little history. In a NY Times Magazine article which partly profiled me, he was quoted as saying I "got lucky" when I testified in the Senate on the critical need for corticosteroids in hospitalized COVID patients in May of 2020, months before Oxford's trial made it the standard of care overnight.
>
> Well they started giving it all right. Now let's see if there are any data to suggest the vaccines are having an impact on birth rates. Note that although birth rates can vary from year to year, and have small peaks and valleys within the year, you don't typically see large decreases suddenly from one month to the other, in numerous countries around the world. This data is even more horrifying, some of which I obtained from Peter Imanuelson's Substack called the Freedom Corner with Peter Sweden.
>
> In Stockholm during the first quarter of 2022, birth rates plummeted by 14%, shocking a Professor in Demographics:
>
> > "It is a drastic and remarkable reduction beyond the usual. We have never seen anything like this before, that the bottom just falls out in just one quarter" said Gunnar Andersson, professor in demographics at Stockholm University to Dagens Nyheter.
>
> As someone who has been witness to massive censorship, much of it voluntary (i.e self-censorship), what the Professor says next is completely expected and in-line with what is now almost two years of many leading (cowardly) scientists, researchers and physicians who have willingly avoided making conclusions that might put the vaccines in a bad light, despite the immensely disturbing data on COVID vaccine toxicity screaming from VAERS, the life insurance industry, and disability statistics since the roll-out. Here is what he says in a newspaper interview:
>
> > "It correlates exactly in time with the mass vaccination program in April, May last year. People understood that the lock downs ended and now we had to go out in the world again. Demographists in other parts of Europe see the same timing" the professor said.
>
> His interpretation is that lockdowns ended, vaccines were provided, thus giving everyone the freedom to start newly re-exploring the world instead of making babies? Although I find this almost too absurd to explore, I will say this: Sweden never really had any significant lock-downs. I am so sick and tired of hearing idiotic alternative explanations for truly disturbing data on the vaccines. Things like "anyone can put a report into VAERS", or "working age people died at higher rates because of unemployment and deaths of despair." Yet in 2021, lockdowns were over, unemployment rates were at historic lows, and drug overdoses have been on a fairly constant (but not precipitous) rise for years. I could go on, but you know what I am talking about, the constant explaining away of "inconvenient truths," with my personal favorite (favorite is not the right word), the explosion in articles about Sudden Adult Death Syndrome in trying to explain all the healthy, active young people dropping dead all over the world.
>
> Now check out Germany's first quarter births compared to the first quarter in previous years:



> Switzerland data from the Swiss Policy Research Report here:



Screenshot from SWPRS report.

> Hungary is down 20% since the vaccine roll-out and this massive decrease was addressed by one member of parliament is this widely circulated video from the RAIR foundation. Other reports are even more shocking: Taiwan is down 27%, UK, North Dakota are reporting 12-13% declines, and Norway 6.2%. Admittedly these are a subset of countries, this is not meant to be a comprehensive analysis globally, but the month to month drop still needs explaining.
>
> Further, disastrous impacts on fertility should not come as a surprise. Although censored, many in my network were aware of massive Facebook groups of women reporting and discussing severe menstrual irregularities as a result of these "vaccines." These groups were shut down by Facebook. Remember, the vaccination campaign had only one enemy: "vaccine hesitancy" and our Federal government paid $1 Billion to media companies to support a favorable view of the vaccines. Massive groups of women reporting severe menstrual irregularities would drive vaccine hesitancy, so such talk must be suppressed at all costs (or minimal cost to Facebook).
>
> We knew about the University of Illinois researchers who were trying to survey 5,000 women to study the effects on menstruation and were besieged with over 30,000 responses in like a day or two. The results were disturbing (and were either explained away as temporary or just ignored).
>
> Google searches find many dozens of articles actually addressing the widespread menstrual irregularities reported by women but always concluding the problems were transient/temporary. But never forget the inaction, ignoring, and suppression of these data by the American College of Obstetrics and Gynecology (ACOG). Never forget the Infectious Disease Society of America's (IDSA) distortion and rejecting of the immense data supporting ivermectin and hydroxychloroquine. Never forget the American Neurological Association and American Heart Associations ignoring of the massive rises in strokes and heart attacks among young healthy people with no co-morbidities. Never forget the Deans of the nations' 126 Academic Medical Centers who had to have been aware of what was happening in their University hospitals, yet said and did nothing. It is an endless list of leaders in Academic Medicine who either were cowardly or willfully complicit in the suppression and ignoring of these data or who simply fell victim to what should have been easily detectable propaganda.
>
> I appreciate the efforts of some who explore alternative "hypotheses" to explain these suddenly dropping birth rates. Fine, prove them. Unless you can, as per the now ignored, but long standing regulatory standard, when a new medicine or device is introduced, you must first assume any adverse effects or deaths reported to be related to the intervention *until proven otherwise*. That is what I am doing here. We must assume the vaccines are impacting fertility unless some other provable or credible explanations for a sudden drop in month to month birth rates. So stop the shots until you can prove they are not (this would be the 189th reason to stop the shots).
>
> Too many young people dying, too many becoming disabled, too many pregnancies resulting in fetal or neonatal death as above, and now we find out that if we continue with this vaccine obsession, they will not be replaced. This is a humanitarian catastrophe heaped atop the one caused by dangerous gain-of-function research. When will the world wake up to this rapidly unfolding horror? For those of us who know what is going on, it is hard to not feel helpless as we are forced to watch increasingly apparent and widespread needless death. But we will continue to try to get these truths out despite the massive censorship and propaganda overwhelming the globe. We have a moral and ethical obligation and take that responsibility seriously no matter what befalls us. Stop the vaccines, now. And if we can't stop them, we must try to convince everyone we know to no longer agree to get vaccinated. Their lives and our future depend on it.

"SO SHALL YOU REAP"
"As a nation, as a country--to all nations of the world, I say to you, as your Mother, that as you have sown so shall you reap. How many years have I traveled across your earth, crying with tears of pity and frustration, that the great Chastisement be withheld from mankind, because of the many souls that will be lost to Heaven. How many have listened to My counsel and prepared? Have you become so blinded by your lives of luxury and worldly pursuits that you can no longer recognize what is happening about you? Murders abound. Blood flows in the street. Hunger shall be set upon your country. Many shall die. And why? Because you have turned your back upon My Son, the only One now who can save you from what is fast coming upon you." *- Our Lady, May 30, 1981*

Our Lady of the Roses' Awesome Bayside Prophecies... https://www.tldm.org/Bayside/

These prophecies came from Jesus, Mary, and the saints to Veronica Lueken at Bayside, NY, from 1968 to 1995.

CORRUPTION AND GREED
"Your country is fast heading to a full bloodbath of war because of corruption and greed.
"All will make a firm effort to read the past counsel of My Mother throughout the years and Her visits upon earth. My Mother has promised to be with you until I come again in body and spirit to you. No one shall be abandoned if he asks to be saved, My children." *- Jesus, September 13, 1977*

A WELL-PLANNED CONSPIRACY
"Many pastors, My child, because of the lack of prayer, have fallen into the web of satan. Pray for them, and give an example to strengthen them. I ask you all to remain steadfast with Our Vicar in Rome. Yes, there is an impostor--much to comprehend by those who do not understand. Yes, there is much to comprehend.
"You, My child, will receive your answer in secret. At this time it would not be of gain to expose this malice, this corruption that has entered upon the hearts of some in the highest places.
"The present evolvement of evil, corruption, and misleading of the sheep did not come overnight, My child. It is a well-planned conspiracy." *- Our Lady, February 10, 1976*

A CESSPOOL OF CORRUPTION
"You have a balance in your country, My children. Only a few, a minority, have held back your just punishment. The Eternal Father is keeping count. Only He has the final decision.
"My child, your country now is wallowing in a cesspool of corruption, corruption in the highest places. They have cast aside the knowledge and honor of their God, for they have set up wealth, fortune, and power as an idol of worship. They have set man up as an idol of worship." *- Our Lady, September 27, 1975*

REMOVE THE CORRUPTION
"I have begged you to remove the corruption in your country that now covers, like the darkness of the abyss, your government, your schools, and now My Son's House. But you were apathetic to My warnings. What will you do now? The hour grows late." *- Our Lady, September 28, 1971*

CORRUPTION AND EVIL
"My children, there is no honor among thieves, those who rob the light from your souls. My children, your country, the United States, has given itself to satan--corruption and evil, defilements in the home, corruption in your government!
"My children, understand: you cannot have two masters. One you will love and the other you will hate. Has My Son become now hated in your world, one to be mocked and scorned anew? Has My Son's Church met now with a new ruler? Have you torn down My Son's Church and erected one of man? Yea, I say unto you: Your time is short." *- Our Lady, November 1, 1977*

IN THE HIGHEST PLACES OF RULE
"Your world and your country wallow in a cesspool of error, corruption, and debasement. Satan has set among you in the highest places of rule, giving them power for the destruction of human souls. These agents of hell have been placed in your schools to destroy your young; in your government to bring you to your knees before one who is not of God; and sadly, his agents have entered into the House of God to do battle." *- Our Lady, September 13, 1973*

WILL NOT GO UNPUNISHED
"In your pursuit of worldly living, have you sold your souls to get to the head? Corruption and dishonesty abound in your country, the United States, and many--most countries, nations of the world. This corruption will not go unpunished.
"Your country, My child, must turn back to God, because the time is running out. You cannot compromise with the enemies of your God, nor can you compromise with the enemies within My Son's House, His Church. Conform and you will die on the vine. I say unto you, all clergy, cardinals, bishops and lay people in My Son's House, His Church: conform and you will die on the vine!
"The Eternal Father in the Trinity, the giver of all life and the taker of life--however, satan now has great rule over your world. All will be tested." *- Our Lady, June 13, 1981*

NO NATION FREE OF CORRUPTION
"The world, the earth, the abode of the prince of darkness, has become a cesspool of sin reaching into each and every nation. No nation on earth now is free of this corruption. There are little pockets, sections of each nation, that is trying with diligence and prayer to restore the nation, My children. These little lights from Heaven shall keep the flicker of faith in the hearts of the few. I say 'the few,' because I cry out often, 'When I return in the final battle, shall I find even a flicker of faith burning in the hearts of man?' My pastors, shall I tearfully and with regret have to gather the faithful and true ones in one small section, and shall I have to banish others into the abyss of damnation? The final outcome for mankind lies within your domain!" *- Jesus, August 19, 1978*

NEW YORK WILL FALL
"My child, you will be discriminated against; you will be scoffed at, for your words from My lips are not those of comfort at this time. They are words of truth of what is to befall man, for he has become a perverse generation, worse than in the time of Noe.
"Your city We place as Babylon--your city, the city of murder and evil, corruption and godlessness--your city will fall!
"Those who have remained in the light and accepted the graces given to strengthen them in these dark days will be saved. This I promise you as your Mother. My Son, and in the Father, does not wish that any be lost. Every opportunity will be given to man to prepare himself and be made ready for the trial.
"The Day of days is at hand. The Day of the Lord, and the Coming of My Son, is not far off. Do you not recognize the signs of your times? Have you not read the words of the prophets of old? No! You have destroyed the temple of the Holy Spirit, and the spirit within it, by casting your eyes and absorbing yourselves in the creations of satan. Take up the Book of life, your Bible, and bring yourselves back to the truth!" *- Our Lady, July 25, 1973*

"UNLESS YOU ALL RETURN TO YOUR FAITH…"
"You will understand also that changes must not be made in your Bible. They will distort, confuse, confound, and destroy. There must be no changes made now in the Book of life and love.
"Unless you all return to your Faith with the hearts of children, you will be destroyed. This destruction you will only answer to yourself for, My children. Remember, as you sow so shall you reap. And a church in darkness wears a band of death about it."
- Jesus, June 9, 1979

There is a great split in the earth (U.S.) that is widening...
"There will be a great earthquake in the area of New York.... There is only one thing that you can do with an errant child when they do not listen, and that is to shake them up, My child. I realize this is not something for jest; it is but a reality that is coming upon mankind. Another area that shall be shaken will be California, My child. There is a great split in the earth that is widening. This is not generally being given to you in your news tabloids. They are trying to lull you to complacency. We have given you the road away from these disasters; and that road is only guided by prayers, penance, and atonement." - Our Lady, March 18, 1989

Tragedies and disasters shall increase . . .
Jesus - "Great elemental tragedies, disasters, manmade and God - sent upon mankind, shall increase in volume, shall increase in intensity and numbers. Remember, My children, you do not understand that supernatural, for there will be accidents that are not accidents." (5-26-79)

Store canned goods, water and blankets . . .
Our Lady - "My children, I caution you now, and I wish that you remember these instructions from several years ago in earth's time that I gave to you, to keep in your homes a good supply of canned good. They have shelf value, My children, they will not spoil. But better that you keep them and they spoil than to have come upon you the great Chastisement. It will be a ball of fire which will ignite many of the chemicals that are being stored up for the destruction of the nations.
"My children, not only with the canned foods will you store just food, but you must also make known to your families and your friends that they had best keep blankets and water in tight containers; for there will be on the onset of the Chastisement, there will be nothing that you can buy due to contamination." There are 4 Things You Must Have to Survive the End Times:

1.) The Douay-Rheims Holy Bible...

"I ask that all who hear My voice will take their Bibles, and if they do not have one, search, but find the right Bible, those printed not after 1965, My children." - Jesus, October 5, 1985
"You must all obtain a copy of the Book of life and love, the Bible. Do not accept the new mods. Try to find in your bookstores the old Bibles, My children, for many are being changed to suit the carnal nature of man. I repeat, sin has become a way of life." - Our Lady, October 6, 1992
"I must ask you all to read but a few short chapters a day now, the Book of life and love, your Bible. Knowledge must be gained for all the disciples of My Son, for you will be attacked by scientific minds. But do not be concerned what you will say to them when accosted, for the words will be given to you by the Spirit." - Our Lady, April 10, 1976
The Douay-Rheims Bible was published in 1899. It is the official Bible of the Roman Catholic Church. Almost all other Bibles have been rewritten by Satan. See: https://www.tldm.org/directives/d33.htm , https://www.tldm.org/directives/d415.htm and https://www.tldm.org/directives/d182.htm If you don't have a Douay-Rheims Bible order it now! (Order Form) Yours and your loved ones salvation could depend on it.
Read the Bible cover to cover. If you read 4 chapters a day, you will complete the whole Bible in 334 days. I have read the Bible 2 times and working on the third time. A 75 year old Baptism gentleman told me that he and his wife have read the Bible nine times. Wow!

2.) The Complete Virgin Mary's Bayside Prophesies in 6 Paperback Books...

The Virgin Mary brings directions from God, the Father in Heaven on how to survive the end times. God, the Father, through the Virgin Mary, tells what is coming, how to prepare for it, how to survive it, and how to even stop it. These six volumes along with the Bible are most important to save yourself and your loved ones. Order it now. Tomorrow may be to late. These 6 pocket size paperback books costs $33.00. **(Order Form)**

3.) Heaven's Home Protection Packet...

Heaven's Home Protection Packet...
Our Lord stated we must have crucifixes upon the outside of all of our outside doors. In the "Heaven's Home Protection Packet" there are instructions, four crucifixes, a tube of special cement for wooden or metal crucifixes. Wooden crucifixes adhere better to the doors when the aluminum strap is removed from the back. Put a light coat of cement on the back of the crucifix and then press it to the outside of the door. If you have any problems, you can call us at 616-698-6448 for assistance. This Heaven's Home Protection Packet is available for a donation of $10.00 plus $4.00 shipping and handling. Send $14.00 to TLD Ministries, P.O. Box 40, Lowell, MI 49331. Item # P15 **(Order Form)**

Crucifix on front and back door... The only real protection against terrorists...
Jesus - "Pray and wear your sacramentals. And, also, My children, I ask you again to place a crucifix upon your door. Both front and back doors must have a crucifix. I say this to you because there will be carnage within your areas, and this will pass you by if you keep your crucifix upon your doors." Our Lady of the Roses, Mary Help of Mothers promises to help protect our children. On September 13, 1977, She said, "He has an army of ogres wandering now throughout your country and all of the countries of the world. They are in possession of great power; so wear your sacramentals, and protect your children and your households. Learn the use every day of holy water throughout your household. Insist even with obstructions, insist that your children always wear a sacramental. One day they will understand that they will repel the demons."
On February 1, 1974, Our Lady said, "My children, know the value of these sacramentals. Guard your children well. You must awaken to the knowledge that you will not be protected without the sacramentals. Guard your children's souls. They must be surrounded with an aura of purity. Remove them if necessary from the sources of contamination, be it your schools or even false pastors."
This Heaven's Personal Protection Packet is available for a donation of $7.00 plus $3.00 shipping and handling. Send $10.00 to TLD Ministries, P.O. Box 40, Lowell, MI 49331. You may use your MasterCard, VISA, or American Express and call 1-616-698-6448. Item # P5 **(Order Form)**

Your names have been written in Heaven… "It is not by accident that you are called by My Mother, for your names have been written in Heaven.... But with this great grace you have great responsibility to send this Message from Heaven throughout the world, for if you are able to recover just one more for Heaven, an additional star shall be placed in your crown." - Jesus, August 5, 1975

A great obligation to go forward... "It is not by accident that you are called by My Mother, for it is by merit and the prayers that have risen to Heaven for your salvation. For those who have received the grace to hear the Message from Heaven, you have a great obligation to go forward and bring this Message to your brothers and sisters. Do not expect a rest upon your earth, for you will have eternal rest very soon." - Jesus, June 12, 1976

The sin of omission... "The sin of omission shall condemn many to hell, be they layman or Hierarchy. I repeat: not the sin of commission, but the sin of omission will commit many to hell." Our Lady of the Roses, October 6, 1980
